MEMORANDUM FOR:

25X1

THROUGH:

SUBJECT: Haeju Area Early Warning Radar, North Korea

REFERENCE: Requirement No. NSA/SOC/R-10/70
NPIC Project No. 250511

1. In response to the referenced requirement, an effort was made to locate radar facilities within a 15 nautical mile (nm) radius of geographic coordinates 38-00N 125-30E, approximately 10 nm west-southwest of Haeju, North Korea.

2. The lack of recent, high-resolution photography prevents a complete search of the area. The small portion (approximately 10 percent) of the search area that was examined failed to disclose any evidence of radar facilities.

3. Questions concerning this project may be directed to the imagery analyst, [REDACTED] of the China, North Korea Branch, EGD/IEG, on extension [REDACTED]. This project is considered to be complete
